Fire the Cannon Procedures

To ensure the safety of everyone involved, the following rules will be observed regarding the cannon firing experience:

- Visitors may only purchase and reserve this experience by 4:30 p.m. three days in advance via phone call.
- Program is available during the summer and fall seasons only.
- Program starts at 9:15 a.m.
- Participants must be at least 13 years old. A parent or guardian must also sign a waiver and be present for participants 13 to 17 years old.
- The visitor must sign and submit a waiver/liability statement before beginning the activity.
- The interpreter will be solely responsible for loading and priming the cannon. The visitor will not load the cannon with gunpowder or handle priming materials.
- Only this participant may take part in the activity. Other members of the visitor's party must remain behind the safety ropes during the activity.
- Other members of the participant's party may accompany the participant to the cannon, but must purchase general admission tickets at standard prices.
- Those using wheelchairs or with mobility impairments usually can be accommodated.
