

TOWER TOUR RULES

For your safety you must:

- Be wearing shoes that fit securely. No thong-type flip flops.
- Have your hands free at all times. No carrying of belongings or children.
- Be more than four feet tall.
- Be physically able to make the climb and fit through a narrow opening.
- The tour is guided and lasts about 10 minutes.
- The climb is four stories up 51 narrow steps and an 11-rung, eight-foot ladder through a narrow hatchway.
- Persons with heart conditions or similar physical ailments, fear or heights or fear of tight spaces should not climb the tower.
