ICONIC

The cannon blasts. The rifles fire. The soldiers march. History comes alive. The oldest public building in Michigan and 13 other historical structures boast exhibits explaining everything from military training and battles, to medical treatments, to family life within the fort. Regular demonstrations and tours by costumed interpreters are scheduled throughout the day, with special programs for both adults and kids highlighting different aspects of the fort's history. More than just a military outpost, Fort

Mackinac served as a home for soldiers and their families and eventually the headquarters for Mackinac National Park, where tourists to the island visited the great fortress on the bluff, much as they do today. All fourteen buildings in the fort are restored and open to the public. One of the more unforgettable aspects of a visit to Fort Mackinac is lunch at the Tea Room, operated by Grand Hotel, offering unparalleled views of Mackinac Island's downtown, the Straits of Mackinac, and the Mackinac Bridge.

Fort Mackinac will serve as headquarters for the Mackinac Parks: 125 Celebration, taking place throughout 2020. To celebrate the 125th anniversary of Mackinac Island State Park, Fort Mackinac will feature a daily special program highlighting different aspects of the island's history. Other exciting programs include new and expanded tours, a new Drill, Tactics and Firearms program, and updates to our cannon and rifle firing demonstrations.

Your Fort Mackinac ticket also includes free admission to The Richard and Jane Manoogian Mackinac Art Museum May 4 - October 11, the Biddle House, featuring the Mackinac Island Native American Museum, May 5 - October 11, and Historic Downtown Mackinac June 6 - August 22.
