

## HAVE AN ADVENTURE!

An exciting trek through the trees, the Adventure Tour is a special, guided experience that allows visitors to learn about the park's natural history and the layers of the forest by taking you up the five-story Treetop Discovery Climbing Wall, over the Forest Canopy Bridge and down the 425' Eagle's Flight Zip Line. The Adventure Tour is a separate, ticketed attraction that requires valid general admission into Historic Mill Creek Discovery Park. Learn more at [mackinacparks.com](http://mackinacparks.com).

# HAVE AN ADVENTURE

*This is Mackinac*

**W**itness the power of the creek harnessed to cut timber into lumber as well as a demonstration of the older pitsaw method of lumber production. Visit the reconstruction of the American millwright's house. Then, set yourself on an exciting adventure through the trees on the Adventure Tour!

## *Discover the Past*

Forgotten in the late 1800s, Mill Creek was rediscovered in 1972 and reconstructed after extensive archaeological work. A working 18<sup>th</sup>-century water-powered sawmill turns logs into lumber while the millwright describes the impact this industrial revolution had on the region.

## *Discover the Outdoors*

Historic Mill Creek Discovery Park features three miles of trails on 625 acres. Abundant wildflowers, amazing fungi, and scenic views change with every season. North Woods wildlife, including 130 bird species, a beaver colony, black bear, and bobcat have been seen here. Learn more from trained naturalists during daily programs.

## *Discover Hands-On Fun*

Kids will enjoy the Forest Friends Play Area and making birds sing on the Evergreen Trail's Sounds of the Forest station. Live programs offer fun for all ages and the view from the Treetop Discovery Tower is not to be missed!
