Preamble

The American Alliance of Museums (formerly “Association”) has established professional standards for museums and will grant accreditation to museums which meet those standards.

General Policy

The Superintendent was authorized to apply for such accreditation (Minutes October 6, 1972, p. 1349), and it was subsequently granted. It is the intent of the Commission that its museum operations shall continue to meet these high professional standards.

Reaccreditation by the American Association of Museums was received on May 30, 1987.

Reaccreditation by the American Association of Museums was received on January 29, 1997.

Reaccreditation by the American Association of Museums was received on December 20, 2007.

Reaccreditation by the American Association of Museums was received on November 17, 2022.
