Preamble:

The Mackinac Island State Park Commission accepted full jurisdiction for operation, control, and maintenance of the Mackinac Island Airport (Joint Agreement with the City of Mackinac Island, January 29, 1964) and agreed to appoint an advisory committee which would include one member of the City Council. The Airport has a Class C license.

General Policy

Landing fees are established for all aircraft (April 14, 1981, p. 1881 and April 28, 1969, p. 1170-71) [See Policy: Airport Fees]. Upon application to the Commission, airport use agreements will be granted to commercial aircraft operators for charter or scheduled flights. No service concessions have been granted. The airport terminal building is open from dawn to dusk daily, with reduced hours in winter.

Park Manager is airport manager and a designated employee is assistant airport manager.
