Policy

Mackinac State Historic Parks Archaeology Fund

Minutes: December 9, 2016, p.

Preamble:

The Commission establishes the Mackinac State Historic Parks Archaeology Fund, a restricted fund for the archaeological program.

General Policy

Expenditures from the account are restricted to costs related to Mackinac State Historic Parks archaeological excavations, archaeological research, and care of the archaeological collection. Recommendations for expenditures from the fund will be made by archaeological staff for review and final approval by the director. The fund is supplemented by additional cash donations to the Commission for archaeological purposes and fund-raising programs.
