

Mackinac Island State Park Commission
Policy

Broadcasting of Meetings

Minutes: December 10, 2021, P.

Preamble:

The Mackinac Island State Park Commission generally meets several times per year. As a way to make the meetings more widely accessible to the public, the Commission may broadcast its meetings at the discretion of its chairperson.

General Policy

If the Mackinac Island State Park Commission chooses to broadcast a meeting, it will indicate that intention on the posted notice for that meeting. Notices can be found on MackinacParks.com. The notice will indicate the medium to be used for the broadcast, whether by Zoom, Microsoft Teams, YouTube, Facebook, or some other viable medium. The notice will also inform the public that if they attend the meeting, they may appear in the broadcast.

This policy does not require the Mackinac Island State Park Commission to broadcast any of its meetings. Whether the Mackinac Island State Park Commission broadcasts any meeting is left to the sole discretion of its chairperson.
