March 23, 2012, P. 3990

Preamble:

Financial support for park operations and historical facilities of the Commission may be available through grant and corporate funding opportunities.

General Policy

The Commission authorizes staff to solicit grant and corporate funding sponsorship for existing or proposed programs and projects as follows:

*WHEREAS, the Mackinac Island State Park Commission has identified numerous projects and programs that would increase the attractiveness of the Straits of Mackinac, and*

*WHEREAS, the Commission has a long tradition of successfully working with governmental and private organizations to develop projects and programs that contribute to the preservation and interpretation of historic and natural resources at the Straits of Mackinac, and that help to fulfill the mission and strategic plans of the Mackinac State Historic Parks;*

*NOW THEREFORE BE IT RESOLVED that the Mackinac Island State Park Commission does hereby authorize and direct the director and staff to seek and apply for grants and contributions in support of any of the programs and facilities currently in existence or for the development of new facilities or programs which have been approved by the Commission, and*

*BE IT FURTHER RESOLVED that such support be matched through commission funds or staff time when appropriate and be recognized with appreciation through established recognition procedures.*
