Policy

Horseshoes

Minutes: February 7, 1975, P. 1507
May 9, 1975, P. 1519

Preamble:

Problems of road maintenance result from the use of steel horseshoes.

General Policy

Paved State Park roads are to be posted against use by horses shod with metal shoes with an optional borium addition in excess of 1/4 inch except when the roads are icy or snow-covered (Minutes February 7, 1975, p. 1507; May 9, 1975, p. 1519).
